

November 29th, 2008 - Valente Development Wins Golden Hammer Award !

Valente Development has been presented with a Golden Hammer Award for "The Best New Home of 2008 of over 3200 square feet" from the Greater Windsor Home Builder Association. This awarding winning home is situated in Valente's exclusive Tuscany Oaks Development (www.tuscanyoaks.com) in LaSalle, Ontario.

"I am thrilled to be honored by my peers with this wonderful award.. While home construction is not our focus- it speaks to our ability to perform to the highest level on any project that Valente Development undertakes. We don't build houses, but we build one and it wins home of the year for all of Windsor Essex County. Awesome!" says company president Peter Valente.
